

How to get to AAS?

Our school campus is situated in the area of Detski Grad, near Pancharevo village. You can get to the campus by car or a taxi following the directions below. If you use public transport (bus N1 and minibus N36), you should get off at the flashing lights stop on Samokovsko Shose, then follow our driving directions.

Driving Directions (From Sofia)

1. Drive North East towards the Ring Road.
2. At the Traffic Police Checkpoint (Gorubliane) take Samokovsko Shose, toward Pancharevo. You will pass an OMV petrol station on the right.
3. Drive straight to the first flashing traffic lights and turn right (the only turn here). You will pass the Blue Cross Vet clinic on your left.
4. Take the first right turn. As you drive up the hill, you will be able to see the school. Parking is available for visitors.

If you need further assistance, please contact the school on (+359) 2 923.8810. We would advise you to book an appointment with the school registrar prior to visiting our school.
